

The Association of Practitioners and Specialists in Social Economy (APSES) is happy to announce the open enrolment in our volunteering project :

-INFOPACK-

*Social volunteers in  
Timișoara*

# ERASMUS+ YOUTH VOLUNTEERING IN TIMISOARA, ROMANIA

When ? 01.09.2020-31.08.2021

Where? Timișoara, Romania

For whom? For youngsters between 18-30 year old, from Europe or partner countries.

# What is this project?

- With this project we want to initiate a set of innovative activities which will promote voluntary work and solidarity between the young people from Kuntz and Plopi neighbourhoods of Timisoara and between the citizens of our city.
- The project consists in one individual volunteering activities with 6 volunteers(2 locals and 4 international). The activity starting from 01 August 2020 will last 12 months
- The aim of our project is to promote voluntary work and solidarity and at the same time to increase the chances to get a job for the young volunteers and prevent school drop out of the kids from two disadvantage neighbourhoods from Timisoara Plopi and Kuntz, the schools 1 and 3 and high school Shakespeare.

# What will you develop through this project?

- The volunteers:***
- Knowledges:**
- They will increase their knowledge's about Roma
- They will learn more about other countries cultures
- They will learn more about the European instruments used in employment like: youthpass, European CV, language passport
- They will improve they foreign language competences
- they will learn to speak Romanian and will improve their English
- They will learn to organise campaigns, to create newsletters, to organise information campaigns
- They will learn to manage better time to recognise their abilities and skills
- They will learn how to write reports to make online promotion and face to face using different PR materials and social media
- They will learn more about the Romanian educational system
- They will learn more about pedagogy and nonformal education methodology
- The volunteers will learn more about ESC and other European programs and volunteering opportunities
- Skills**
- They will improve their communication and team work competences by taking part in all the project activities
- They will improve their public speaking and mobilising and motivating people competences
- The volunteers will develop their entrepreneurial spirit and civic spirit by having to develop activities which promote civic involvement in an innovative way
- The volunteers will develop their mathematical skills by managing their own resources alone for one year
- Attitudes and behaviours:**
- they will become more tolerant
- They will become more independent and will learn how to plan their own reources and live alone
- They will overcome some stereotypes and prejudices that they have about the other countries or people
- They will become more empathic with other disadvantage groups and will learn to motivate people to become active citizens and fight for their rights
- They will become more self-confidence and their self-esteem will increase
- they will become more responsible

# OVERVIEW

*The volunteering project will be implemented with the involvement of 6 participants from Romania, Europe and partner countries.*

*During 12 months , the working methods will be based on non formal education, such as: debates, simulation games, team building, workshop, interact with local people, intercultural nights, cultural activities and language support.*
